Oklahoma Flute Society offers scholarships in the form of free memberships and free admission to events. These scholarships are designed to benefit students who would otherwise not be able to take advantage of what OFS has to offer. They are based on teacher nomination/recommendation, and are subject to approval by the board of directors. If you are a teacher and would like to nominate a student (or group of students), please return the following information to OFS:

Student Name/Contact information (include address, phone and email, if possible)

Teacher Name/Contact information (include address, phone and email, if possible)

Please describe the nominee and why you think s/he is a good candidate for this program. Please include a short explanation of why the applicant would not otherwise be able to join OFS or attend its events.

If the nominee is approved, do you agree to submit to the board a brief follow-up report on your student's experiences at OFS events?
